 **HometownCARE CULTURE**

THE POWER OF HOPE IN HEALING

A company cornerstone is the **SPIRITUALITY** pillar; interfaith Signature Chaplain Corps. Full-time chaplains serve through bold listening, hope and humility, striving to meet residents, employees and family members where they are, at the point of their spiritual need.

MAKING A DIFFERENCE

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

GREAT LEARNING. GREAT RESULTS.

At Signature HealthCARE, our award-winning **LEARNING** pillar delivers first-rate education and training opportunities with you in mind. We believe revolutionary and lifelong learning has no limits, must create a competitive advantage and change lives for generations.
